

The background image shows the interior of a large, vaulted stone hall. The architecture features a series of pointed Gothic arches supported by thick, square stone columns. The walls are made of light-colored stone and show signs of age and wear. There are several arched windows on the right side, some with leaded glass. The floor is paved with stone tiles. The overall atmosphere is that of a historic, grand interior space.

Aula inaugural
Programa de Pós-Graduação em Filosofia

Prof. Dr. Alfredo Carlos Storck (UFRGS)

Tema: Liberdade e escravidão na filosofia escolástica tardia

Dia: 28/03/2013 às 14horas

Auditório do bloco H-35
